

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the present application:

Listing of Claims:

Claims 1-47, 49-55 (cancelled)

Claim 56 (original) A method of document retrieval using an internet, the method comprising:
from a telecommunications appliance, ordering the document over the internet;
downloading the document from the internet into the telecommunications appliance;
and
displaying the document on a display associated with the telecommunications appliance by forming an image of the document on a pixel array of a rewritable bi-modal molecular colorant.

Claim 57 (original) A method of doing business with respect to document publishing and retrieval, the method comprising:
providing a wireless communications site including a server for publishing document content; and
downloading from said site to a wireless telecommunications appliance
document content data for read-only display by forming a selectable page-by-page pixel array on a bi-modal molecular colorant display associated with said appliance.

Claims 58-67 (cancelled)
